

First in the *Seeds of Civilization* series

RJ Archer

Tractrix

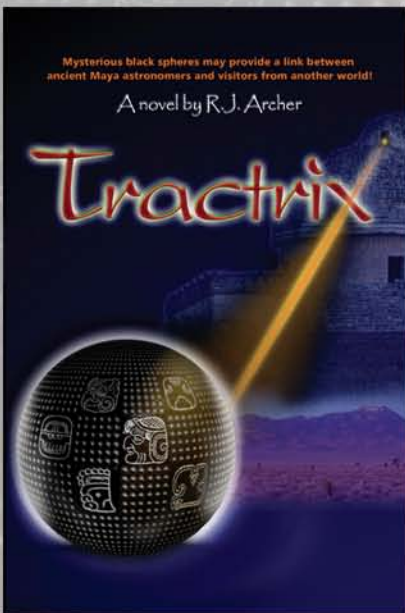

Widower Frank Morton, a Seattle aerospace engineer, and his team of friends search for clues to unearth real-life mysteries in the *Seeds Of Civilization* series by Portland author, R.J. Archer.

Dig into the history...

The Maya of Mexico's Yucatan Peninsula could predict the exact time of a solar eclipse 500 years before the "advanced" thinkers of Europe realized the earth isn't actually flat.
