

Northwest Author SciFi Two-pack

Dig into archeology and history this season!

...explore two great speculative fiction adventures.

One great price!

Tractrix is a fast-paced yarn, based on intriguing historical perspective, and it's sure to keep you guessing and wondering right up until its surprising conclusion.

—Al Lohner,
author of *(fear not)*,
Prince of Avalon,
and *October Dreams*

An introvert's adventure in which the thrills and chills are driven by scientific and philosophical intrigue... if Richard Bach's *Illusions* had been written in consultation with Steven Hawking and C.S. Lewis, the result may have been something like *Deep Structure*.

—Kevin Joseph,
